SHORT LEARNING PROGRAMME

MANAGEMENT DEVELOPMENT PROGRAMME B-BBEE

"Become a certified B-BBEE expert. Learn to manage and verify B-BBEE initiatives with confidence."

OVERVIEW

This specialised programme is designed to empower professionals involved in the B-BBEE verification and consulting industry. Endorsed by the Department of Trade, Industry, and Competition (the DTIC), the course provides a standardised national curriculum, ensuring you are well-equipped to manage and verify B-BBEE initiatives. You will delve into the intricacies of B-BBEE legislation (B-BBEE Act 53 of 2003), learn best practices for implementation, and develop the expertise needed to contribute to South Africa's economic transformation and empowerment efforts.
Elevate your career and make a meaningful impact in your field with this rigorous training programme.

BENEFITS

- Gain a deep understanding of B-BBEE verification and implementation.
- Enhance your credibility as a B-BBEE professional.
- Contribute to economic transformation and empowerment.

MODULES IN THIS PROGRAMME

- Ownership and Best Practices
- Management Control, Employment Equity and Skills Development
- Enterprise and Socio Development through Procurement
- Public Finance and Principles of Accounting
- Legislative and Strategic Framework
